

# iStay Pipe Clamps

NP3075

## REDTAIL

## Description

The careful design of iStay clamps makes tube and pipe installation efficient, clean, and durable, allowing for expansion and contraction, rigid fastening, and retro installation. The 3" standoff makes dryfitting pipe and tube easy and efficient and the high quality, injection molded nylon stands up to the toughest of environments.

### Features

- Retro installation
- Rigid or slip clamping
- Gangable
- Centre line markers
- Custom colouring available

### Applications

- High pressure stainless tubing
- Airline tubing
- Pipe installation

### Tech Data

- Material: PA6 Nylon
- Sizes: 3/4"
- 3" OC standoff
- Max Temp: 65°C, 160°F
- Min Temp: -40°C, -40°F
